Why does Amanda wish to be an orphan?

Q 2

2

Amanda wishes to be an orphan because she wants to be free from the control of her parents (especially her mother). She wishes to be an orphan and play with the soft dust with her barefeet.

### Question

Why does Amanda seem moody most of the times?

### Solution

3

Amanda seems moody most of the times because she is lost in an imaginary world. Her mother is always scolding her and telling her what she should or should not do. So Amanda escapes into her own world where she imagines herself as an orphan, a mermaid or as Rapunzel. This makes it look as though she is moody all the time.
